2x CONCRETE STAIN

**Malay Tan****Cola****Black****Aqua Blue****English Red****Golden Wheat****Green Lawn****Vintage Umber**

2x CONCRETE STAINS ARE UNIQUE VIBRANT CONCRETE STAINS SPECIALLY FORMULATED TO PRODUCE BRILLIANT COLORS THAT ARE NOT AVAILABLE BY ANY OTHER PROCESS. THE BRILLIANT RESULTS ARE STRIKING AND DRAMATIC.

THE 2x CONCRETE STAINS REACT WITH THE CONCRETE SURFACE TO PENETRATE AND BOND WITH THE CONCRETE FOR A PERMANENT DEEP BONDED STAIN, AND DO NOT REQUIRE ANY NEUTRALIZATION. ALL OF THESE STAINS ARE UV STABLE. THEY WILL NOT FADE OR CHANGE COLOR IN DIRECT SUNLIGHT, MAKING THEM IDEAL FOR INTERIOR OR EXTERIOR USE.
